

DELAWARE LEARNING INSTITUTE OF COSMETOLOGY

*32448 Royal Blvd. Suite A Dagsboro, Delaware 19939
(302) 732-6704 Fax (302) 732-9330*

Adult Learning

Delaware Learning Institute of Cosmetology offers post-secondary education designed to prepare students for a career in the salon & spa industry. As such, all students are treated as adults. All students are responsible for learning the materials that Educators present daily. Every Student has their way of learning and retaining the material. If students need assistance finding a learning technique that works best for them, an educator can discuss options (i.e., quizlets, flashcards, journaling, etc.). In addition, all students can meet with the teacher or the lead educator to discuss how they can best learn to conquer challenges and grow professionally.

For students who are 18 and up, all issues regarding student discipline, attendance, academic performance, and other DLI policies will be **addressed directly with the student**. The Delaware Learning Institute of Cosmetology does not offer or participate in parent/teacher conferences or individual parent/guardian meetings unless the student is a minor.
